To,

Verra Registry Team

Subject: Revision of existing communication agreement and shifting of the project to registry 3978

Dear Verra Registry Team,

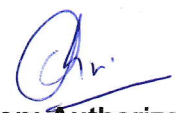

Pls. refer to the attached communication agreement for the below-mentioned project. We want to shift the project as per the details below:

VCS ID	Project Title	Current VCS Registry Account	To be shifted to VCS Registry Account of
2019	100 MW grid-connected Wind Power project in Jamnagar Gujarat, India	Infinite Environmental Solutions LLP Registry ID:1686	Client Name: Verdant Renewables Pvt Ltd. Registry ID: 3978

Note: VCS Project ID: 2019, link <https://registry.verra.org/app/projectDetail/VCS/2019>

In this regard, we would like to highlight that the project is currently listed at Infinite Environmental Solutions LLP registry in line with the publicly available communication agreement. The project proponent "Verdant Renewables Pvt Ltd." has opened an account with Verra with the above details, accordingly, requesting you to kindly transfer the project to the registry account ID 3978. **The existing Communication agreement (Attached as Annex 1) is hereby rescinded.**

Let us know in case any further clarifications are required. Looking forward to your reply and shifting the project at the earliest.

Mr. Sumeet Singhvi  Designation: Chief Executive Officer Infinite Environmental Solution LLP	Mr. Chandresh Ohri  Designation: Authorized Signatory Verdant Renewables Pvt Ltd.

Annex 1: Existing Communication Agreement

COMMUNICATIONS AGREEMENT

This Communication Agreement ("Agreement") is made as of 7th day of November, 2019 ("Effective Date") for project activity titled "100 MW grid connected Wind Power Project in Jamnagar Gujarat, India" by and between:

Verdant Renewable Private Limited ("Project Proponent") a company incorporated under laws of India having its office at 507-508, Ashoka Estate, 24 Barakhamba Road, New Delhi 110001, India.

and,

Infinite Environmental Solutions LLP, ("Authorised Representative and focal point") a company incorporated under laws of India having its office at 611, Chetak Centre Main, 12/2 RNT Marg, Indore 452001, MP, India.

Whereas, **Verdant Renewable Private Limited** hereby authorizes Infinite Environmental Solutions LLP to act as their sole focal point to communicate on behalf of the project wherever it might be necessary while pursuing registration and issuance of the project under VCS mechanism as well as with DOE and other entities for project completion, submission of documents, resolution of comments as well as sale of VERs. Further the VCS project shall be listed at the APX registry of Infinite Environmental Solutions LLP.

Whereas, Infinite Environmental Solutions LLP hereby accepts to act as focal point for the said project for the scope as mentioned above.
