Subject: Shifting of VCS projects as mentioned below;

Dear Verra Registry Team,
We want to shift our project as per the details below:

VCS ID	Project Title	Current VCS Registry Account	To be shifted to VCS Registry Account of
1985	100 MW Bundled Wind Power Project in Anantapuram, Andhra Pradesh	Infinite Environmental Solutions LLP. Registry ID: 1686	Orange Renewable Power Pvt. Ltd. Registry ID: 1683
1993	Bundled Wind Power project in Koppal Karnataka	Infinite Environmental Solutions LLP. Registry ID: 1686	Orange Renewable Power Pvt. Ltd. Registry ID: 1683
1990	40 MW Bundled Solar Project in Telangana, India	Infinite Environmental Solutions LLP. Registry ID: 1686	Orange Renewable Power Pvt. Ltd. Registry ID: 1683

In this regard we would like to highlight that we all the projects are part of Greenko Group. Accordingly, we have decided to transfer the project to our registry account. The previous communication agreement with Infinite Environmental Solutions LLP is annulled.

The company Orange Renewable Power Pvt. Ltd. is part of Greenko group and thus the registry would serve as a common registry for all Greenko group projects.

Let us know in case any further clarifications required. Looking forward to your reply and shifting the project at the earliest.
