

PROJECT REVIEW REPORT

This project review report includes findings raised during Verra's review of the project specified below. The VVB must address the findings before the project request can be considered for approval by Verra. The project review report will be made publicly available on the Verra Registry. Confidential information may be provided in separate attachments.

Project ID	192
Project Name	48 MW Houqiao Hydropower Project, Yunnan, China
Review Type	Verification Approval Request
Program(s)	VCS Program
Verification Period	01 December 2011 to 31 March 2016
Project Proponent	Yunnan Baoshan Binglang River Hydropower Development Co., Ltd
Methodology	ACM0002 – “Grid-connected electricity generation from renewable sources”, Version 10.0
VVB	TUV NORD CERT GmbH
Assessment Criteria	VCS Standard, v4.4
Date of First Issue	14 June 2023
Review Conclusion	Approved
Date of Final Issue	05 July 2023

FINDINGS

1	Emission Reduction and Removal Calculation Spreadsheet		
	<u>Issue</u> The emission reduction and removal calculation spreadsheet were not submitted along with the project documents.	Round 1	Closed
	<u>Action Required</u> 1. The VVB must ensure that the project proponent submits the emission reduction and removals spreadsheet on the registry.	<u>VVB Response</u> The Excel-based emission reduction calculation file was subject of assessment within the verification process performed by the responsible VVB. Please kindly refer to the enclosed file. The project proponent should have already uploaded the requested document into the registry now, too.	
	<u>Program Rule(s)</u> Section 4.4 of the Registration and Issuance Process, v4.3	<u>Verra Response</u> The information provided is sufficient. No further action is required.	
2	Unknown Company in the Summary of the Verification Conclusion		
	<u>Issue</u> The verification report states an unknown company as the commissioning company for the verification activities.	Round 1	Closed
	<u>Action Required</u> 1. The VVB must ensure that the verification report states the project proponent as the commissioning party for the verification activities.	<u>VVB Response</u> The detected miss-match has been corrected accordingly. Please refer to the updated Verification report, version 02. Yunnan Baoshan Binglang River Hydropower Development Co. Ltd. is the project proponent according to the Deed of Representation w.r.t. the VCS ID 192. This company is the commissioning party for the verification services in context of the reported 2 nd monitoring period: from 01/12/2011 to	

	<u>Program Rule(s)</u> Section 2.2 of the VCS Standard, v4.4	31/03/2016.	
		<u>Verra Response</u>	
		No further action is required.
