REGISTRATION DEED OF REPRESENTATION

THIS DEED OF REPRESENTATION is made on 28/12/2011

BY:

Sree Rengaraaj Power India Private Limited , No 99, Sankagiri Main Road, Salem , Tamilnadu, India

and

Abi Energy Consultancy Services Private Limited, 22, Subtramanianagar 2nd Street, Rengarajapuram, Kodambakkam, Chennai, India

THIS DEED WITNESSES as follows:

1. INTERPRETATION

1.1 In this Deed:

"Accession Representation" means a deed issued by the project proponent and an acceding entity, made in respect of an acceding entity joining a project as project proponent and which is prepared using the *VCS Deed of Accession Template*;

"Accountholder" means any person holding a VCU account with a VCS Registry;

"Approved GHG Program" means a GHG program that has been approved by the VCS Board, through a gap analysis, as a VCS approved GHG program;

"Partial Release Representation" means a deed issued by the project proponents and the relevant VCS registry, made in respect of a project proponent leaving a project and which is prepared using the *VCS Deed of Release Template*;

"Project" means **8MW Waste Heat Recovery Based Power Project by Sree Rengaraaj Power India Private Limited**. The project activity generates electricity from the utilisation of waste heat of flue gases generated in DRI Kilns of Sponge iron plants.. This project activity is developed by Sree Rengaraaj Power India Private Limited (SRPIPL) and it is located in Perundurai Taluka of Erode District, Tamilnadu. The electricity generated by this project activity is used within the industrial facility for captive usage and the remaining surplus power is wheeled to its sister concern through southern regional grid. In the absence of this project activity both Rengaraaj steel and its sister concern will import power from southern regional grid. The annual GHG emission reduction through this project activity is estimated to be around 43,186 tonnes of Carbon dioxide equivalent.

"Project Crediting Period" means the time period for which Reductions generated by the project are eligible for issuance as VCUs, the rules with respect to the length of such time period and the renewal of the project crediting period being set out in the *VCS Standard*;

"Project Description" means the document that describes the Project's Reduction activities and that uses either the *VCS Project Description Template* or the project description template specified by the relevant approved GHG program;

"Project Documents" means the documents required to register the project and/or issue VCUs, as set out in VCS document *Registration and Issuance Process*;

"Project Proponent" means the individual or organization that has overall control and responsibility for the Project, or an individual or organization that together with others, each of which is also a Project Proponent, has overall control or responsibility for the Project;

"Reduction" means a reduction or removal of one metric tonne of CO₂ equivalent caused by the activities of a Project during the Project Crediting Period;

"Registration Representor" is each party to this Deed, as set out at the start of this Deed; each Registration Representor being one or more of: (i) a Project Proponent or (ii) any entity to whom the Project Proponent has assigned all of its rights to the Project's Reductions for the entire Project Crediting Period;

"VCSA" means the Verified Carbon Standard Association;

"VCS Project Database" means the central project database that records all projects registered and VCUs issued under the VCS Program, and provides public access to all project and VCU information, including retirement and tracking of the AFOLU pooled buffer account;

"VCS Registry" means a registry operating within the VCS Registry System and holding a current registry approval from the VCSA, which interacts with the VCS Project Database to issue VCUs, and which holds, transfers (to and from other VCS Registries), retires, suspends, cancels and provides custodial services for VCUs on behalf of its Accountholders;

"VCS Registry System" means the system established by the VCS Program, comprised of the VCS Project Database and the VCS Registries, to provide project proponents with the ability to register projects, and issue, transfer, hold and retire VCUs;

"Verified Carbon Unit" (VCU) means a unit issued by, and held in a VCS Registry representing the right of an Accountholder in whose account the unit is recorded to claim the achievement of a Reduction in an amount of one (1) metric tonne of CO₂ equivalent that has been verified by a validation/verification body in accordance with the VCS Rules. Recordation of a VCU in the account of the holder at a VCS Registry is *prima facie* evidence of that holder's entitlement to that VCU;

"VCS Rules" means the rules and requirements set out in the *VCS Program Guide*, *VCS Standard* and the other VCS Program documents, as such rules and requirements may be updated from time to time.

1.2 Documents referred to in this Deed but not defined shall be the VCS documents to which the relevant definition relates.

2. REPRESENTATIONS

2.1 Each Registration Representor complies with the definition of a "Registration Representor", as set out in Clause 1 of this Deed, in relation to the Project.

2.2 Each and every Registration Representor hereby represents and warrants that:

2.2.1 The Project Description and any other Project Documents for which the Registration Representors are collectively responsible and that Registration Representors are supplying to a VCS Registry are true and accurate in all material respects; and

- 2.2.2 The Registration Representatives collectively have the right to all and any Reductions generated by the Project during the Project Crediting Period.
- 2.3 The Registration Representatives hereby acknowledge that a VCS Registry shall hold this Deed for the benefit of Accountholders holding VCUs relating to the Project at any given time.
3. **ACCESSION AND RELEASE**
- 3.1 Each Registration Representative hereby acknowledges and agrees that any person who satisfies the criteria set out in the definition of a "Registration Representative" in Clause 1 of this Deed may accede to this Deed as a Registration Representative and be bound by the terms hereof (including, for the avoidance of doubt, the representations made under Clause 2 (*Representations*) above) by executing an Accession Representation.
- 3.2 Each Registration Representative hereby acknowledges and agrees that any Registration Representative may terminate its participation in the Project and be released from its obligations hereunder by executing a Partial Release Representation, provided that (i) no release of a Registration Representative shall be effective if as a result of such release the Project Proponent will comprise of less than one Registration Representative; and (ii) each respective release shall be on the terms of and subject to conditions of the Partial Release Representation.
4. **LIABILITY**
- Each Registration Representative acknowledges and agrees that the Registration Representatives are jointly and severally liable for the representations, warranties and obligations expressed to be assumed by the Registration Representatives in this Deed.
5. **GOVERNING LAW AND JURISDICTION**
- This Deed and all non-contractual obligations arising out of or in connection with it are governed by English law, and the English courts shall have exclusive jurisdiction to settle any dispute arising from or connected with this Deed including a dispute regarding the existence, validity or termination of this Deed or the consequences of its nullity.
6. **COUNTERPARTS**
- This Deed may be executed in any number of counterparts, each of which when executed and delivered is an original and all of which together evidence the same deed.
7. **DELIVERY**
- This Deed is delivered on the date written at the start of the Deed.
