Dear Kemal Demirkol

Regarding Project ID 0535: Verra's response to the exemption request submitted on 07 August 2025

Verra has reviewed the exemption request submitted by Project ID 0535 - Akocak Hydroelectric Power Plant against the *Exemption Request Procedure v1.0*. Verra **grants** the exemption from Section 3.9.8 (4) of the *VCS Standard v4.7*.

Background:

The project proponent has demonstrated that the project faces extraordinary circumstances that are beyond the project proponent's reasonable control and/or cannot be mitigated, avoided, or resisted by applying reasonable diligence.

Next steps:

Project ID 0535 - Akocak Hydroelectric Power Plant is requested to complete the crediting period renewal and submit a new validation report with another VVB by **31 December 2025**.

This letter will be uploaded to the Verra Registry as a public document.

Sincerely,

Verra
