Project ID 1094: Review notification

Dear Mr. Lap Tak Chan, Ms. Laura Severino, Mr. Cyril Augustus Amalor Pavanathan, and Mr. Vikash Kumar Singh,

Verra is opening a new review of Project 1094, the Ecomapua Amazon REDD Project, pursuant to Section 6 of the *VCS Registration and Issuance Process, v4.6*.

At this time, we are reviewing the following assessments conducted for the project:

- Validation assessment; TÜV Rheinland (China) Ltd.
- Verification assessments:
 - Monitoring period #1, 01-JAN-2003 to 31-DEC-2012; RINA Services SpA
 - Monitoring period #2, 01-JAN-2013 to 31-DEC-2017; Carbon Check (India) Private Ltd.

Next steps

Verra will conduct the review, and while it is ongoing, any further credit issuance from the project will be suspended, and the project will be on hold on the Verra Registry.

Once the initial review is completed, Verra may issue the review reports to you and the validation/verification bodies for your written response.

This notification letter will be uploaded to the Verra Registry as a public document.

Verra expressly reserves the right to take further action in accordance with the Verra program rules and requirements, including the Verra Registry Terms of Use.

Thank you for your cooperation in this matter.

Sincerely,
Verra
