2. REPRESENTATIONS AND ACKNOWLEDGMENTS

2.1 Each Issuance Representor complies with the definition of an "Issuance Representor", as set out in Clause 1 of this Deed, in relation to the Project.

- 2.2 Each and every Issuance Representative hereby represents and warrants that:
- 2.2.1 The Monitoring Report and any other Project Documents for which the Issuance Representatives are responsible and that the Issuance Representatives are supplying to a VCS Registry are true and accurate in all material respects;
- 2.2.2 The Issuance Representatives collectively have the right to all and any Reductions generated by the Project during the Verification Period; and

- 2.4 I hereby acknowledge that the VCSA:
- 2.4.1 Reserves the right to take action against the Issuance Representatives where the VCSA deems, acting reasonably, that there has been a material erroneous issuance of VCUs in respect of the Project, as a result of the fraudulent conduct, negligence, intentional act, recklessness, misrepresentation or mistake of the Issuance Representatives; and
- 2.4.2 Will determine such action having regard to the VCS Rules. Such action may include:

The VCSA will use reasonable efforts to work with the Issuance Representatives to ensure that any adverse impacts on the Project Proponents of actions taken under this Clause 2.4 are minimised to the extent possible.

- 2.5 I further acknowledge that any action under Clause 2.4 may be commenced by the VCSA only in relation to VCUs for which the Verification Report is published on or after 8 April 2014 and up to the later of:

This Deed may be executed in any number of counterparts, each of which when executed and delivered is an original and all of which together evidence the same deed.

6. DELIVERY

This Deed is delivered on the date written at the start of the Deed.

¹ The intention is that a VCU will be issued following acceptance of the Verification Report for the Project. For some types of AFOLU projects in particular, the verification cycle may be longer than 6 years. In this regard, if the second verification report shows a VCU has been erroneously issued the VCSA will have an additional 12 months to deal with that issue. Note also that where a VCU is erroneously issued from the last verification report of the Project, Clause 2.5(a) applies.
