**Project ID 1715: Review notification**

Dear Fangfang Liu and XUE Jinghua,

Verra is opening a new review of all validation and verification assessments for project 1715, Inner Mongolia Wu'erqihan IFM (conversion of logged to protected forest) Project, pursuant to Section 6 of the *VCS Registration and Issuance Process, v4.6*.

**Next steps**

While it is ongoing, any further credit issuance from the project will be suspended, and the project will be on hold on the Verra Registry.

Verra has issued the quality control review report (QCRR) to you, the validation/verification body, for your written response.

This notification letter will be uploaded to the Verra Registry as a public document. Verra expressly reserves the right to take further action in accordance with the Verra program rules and requirements, including the Verra Registry Terms of Use.

Thank you for your cooperation in this matter.

Sincerely,  
Verra
