### **Project 1811, Jari/Pará REDD+ Project, Review Completion Notification**

Dear Soraya and Luana,

Verra has completed its review of the above project (the “Project”) and taken it off hold in the VCS and CCBS Programs.

On 10 March 2023, Verra opened a new review of the Project pursuant to Section 6 of the VCS Registration and Issuance Process, v4.3 and Section 4.7.3 of the CCB Program Rules, v3.1, and sent a review report to the respective validation/verification body (RINA Services S.p.A. (RINA)).

The final review report was issued on 11 February and is now closed. It sets out Future Action Requests which the project proponent must demonstrate have been addressed at the next verification. Verra will review the actions taken when the verification approval request is submitted.

Verra expressly reserves all its rights in full, including its right to respond or take further action in accordance with the applicable Verra program rules and requirements, including the Verra Registry Terms of Use.

Sincerely,

Jerry Seager  
Senior Director, Program Quality  
Verra
