**ARTICLE 12 KYOTO PROTOCOL TO THE UNITED NATIONS FRAMEWORK
CONVENTION ON CLIMATE CHANGE
WRITTEN APPROVAL OF VOLUNTARY PARTICIPATION FROM UK DNA
FOR A PROGRAMME OF ACTIVITIES (POA)**

Allcot AG has confirmed that they are a project participant in a proposed Clean Development Mechanism (CDM) POA project entitled "National Solar Power Development Programme, India", for CDM Programme Activities of the following type: solar power projects of up to 15 MW installed capacity, located in the following geographical area: India and has requested written approval of the UK's voluntary participation in the CDM from the UK's Designated National Authority in order to submit this project to the CDM Executive Board for registration.

Allcot AG has provided us with the attached record of the Host Party's confirmation that the project activity assists it in achieving sustainable development and has confirmed that it has submitted all required documents and information to the Designated Operational Entity. The project was registered by the CDM Executive Board on 6th June 2012.

The Environment Agency acting as the UK's DNA confirms that:

1. the United Kingdom ratified the Kyoto Protocol on 31st May 2002;
2. the UK participates voluntarily in the CDM;
3. to the extent that what is mentioned in paragraphs 1 and 2 may constitute authorisation of Allcot AG's participation in the above named

CDM project activity, and to the extent that such authorisation is required, this letter may be taken to constitute that authorisation.

In granting authorisation, the UK's DNA has not considered those matters that fall within the competence of:

- India, acting as Host Party in respect of this project;
- Bureau Veritas India Pvt. Ltd., appointed by the project participants as Designated Operational Entity in respect of this project; or
- the CDM Executive Board.

The UK does not intend to issue instructions in respect of, or to participate in the request for issuance of Certified Emission Reductions (CERs).
