This notification will be uploaded to the Verra Registry as a public document.

Next steps

Verra will conduct the review and while it is ongoing any further credit issuance from the project is suspended.

Once the initial review is completed, Verra will issue the review report(s) to the project proponent and validation/verification bodies, who must provide a written response.

The project status on the Registry will remain on hold while the review is ongoing.

Sincerely,

Farhan Ahmed
Chief Program Management Officer
