

Zero-Credit Reporting Period Confirmation

Project Name: Phlogiston Phase 1
Project ID Number: CAR1480
Project Developer: Ascend Performance Materials
Protocol: Adipic Acid Production Protocol V1.0
Date: 3/3/2022

ClimeCo Corporation, on behalf of Ascend Performance Materials, has requested a zero-credit reporting period for Phlogiston Phase 1 for the period beginning 7/1/2021 and ending on 9/30/2021. The Reserve approves this request.

Please note that this zero-credit reporting period determination is expressly limited to Phlogiston Phase 1 and Ascend Performance Materials must comply with all other requirements of the protocol and the Reserve Offset Program Manual. A verification report or Zero-Credit Reporting Period Acknowledgement and Election form must be submitted for subsequent reporting periods in order to meet the Reserve's contiguous reporting requirement.
