

SOLAR AND WIND POWER PROJECT BY NTPC LIMITED

INFINITE
SOLUTIONS

Document Prepared by Infinite Solutions

Project Title	Solar and Wind Power Project by NTPC Limited
Project ID	1772
Project Start Date	10/08/2016
SD Contributions Reporting Period	10/08/ 2016 to 30/06/2018 (Both days included)
Date of Issue	16/12/2022
Prepared By	Infinite Solutions
Contact	214-215 Milinda Manor, Opp. Next Treasure Island, 2 RNT Marg, Indore – 452001. Landline No.: 0731-4050174 Email: jimmy@infisolutions.org Website: www.infisolutions.org

1 SUMMARY OF SUSTAINABLE DEVELOPMENT CONTRIBUTIONS

The main purpose of this project activity is to generate clean form of electricity through renewable solar and wind energy sources. The project activity involves installation of 50 MW solar project in Anantapur district of Andhra Pradesh, 260 MW solar project in Bhadla of Rajasthan, 250 MW solar project in Mandsaur district of Madhya Pradesh and a 50 MW wind power project in Gujarat state of India.

Sr. No	SDGs	Project Contribution
1		About 1,124,009 MWh renewable electricity has been supplied to the Indian grid during the reported monitoring period that helps to increase the renewable energy share in the energy mix.
2		The project activity has created employment opportunities during this reported monitoring period. In total, 348 peoples were employed by the project activity.
3		By supplying 1,124,009 MWh clean electricity to Indian grid, the project avoided release of 1,085,005 tCO₂e into the atmosphere during the reporting monitoring period.

2 PROJECT CONTRIBUTIONS

Table 1 : Sustainable Development Contributions

Row number	SDG Target	SDG Indicator	Net Impact on SDG Indicator	Current Project Contributions	Contributions Over Project Lifetime
1)	7.2.1	Renewable energy share in total final energy consumption	Implemented activities to increase	About 1,124,009 MWh renewable electricity has supplied to Indian grid during the reported period that helps to increase the renewable energy share in the energy mix.	Since commissioning 1,124,009 MWh renewable electricity has supplied to Indian grid that helps to increase the renewable energy share in the energy mix Please refer appendix 1 for supporting documents.
2)	8.0	Number of People Employed	Implemented activities to increase	Preference is given to Local & nearby population for carry-out O&M Services. the number of people employed by the project activity are as follows: <ol style="list-style-type: none"> 1. NTPC Bhadla - 120 2. NTPS Mandsaur - 228 Total: 348 people employed.	Since commissioning, the project activity has employed 348 people. Please refer appendix 1 for supporting documents.
3)	13.0	Tonnes of greenhouse gas emissions avoided or removed	Implemented activities to increase	By generating 1,124,009 MWh renewable electricity the project has avoided emission of 1,085,005 tCO₂ in the atmosphere.	Since commissioning the project has avoided emission of 1,085,005 tCO₂ in the atmosphere. Please refer appendix 1 for supporting documents.

APPENDIX 1: SUPPORTING EVIDENCE

1. For SDG 7.2 : About **1,124,009 MWh** renewable electricity has supplied to Indian grid during the reported period that helps to increase the renewable energy share in the energy mix.

Supporting documents: -

Please refer VCS Joint PD & MR and VCS VAL & VER: -

- VCS joint PD & MR Version 2.0 dated 23/08/2018
- Verification report dated 23/08/2018

Project web link - <https://registry.verra.org/app/projectDetail/VCS/1772>

2. For SDG 8.0 : The project activity has created employment opportunities during this reported monitoring period. In total, **348 peoples** were employed by the project activity in Bhadla and Mandasaur site of NTPC.

S. No.	Designation	Employment Type	No. of Employment	
			NTPC Bhadla	NTPC Mandasaur
1	Driver	Contractual	4	8
2	Helper	Contractual	12	14
3	Technician	Contractual	12	58
4	Operation and Maintenance	Contractual	12	20
		Permanent	12	7
5	Security Guard	Contractual	60	108
6	Site Incharge	Permanent	4	5
7	Site Engineer	Permanent	4	8
Total			120	228

For the same, declaration is also attached on the PP's letterhead mentioning that all these people who are employed in this reported monitoring period didn't have any job experience earlier and all these people are freshly employed.

Date: 14/11/2022

This declaration is in reference to VCS Project activity i.e. **“Solar and Wind Power Project by NTPC Limited (VCS ID: 1772)”**. The project activity generates electricity through renewable solar and wind energy sources. The project activity involves installation of solar & wind power projects. The total installed capacity of the solar & wind project is 610 MW.

NTPC Limited hereby declares that: -

The Project Activity provides 348 employments to local and nearby population during the monitoring period 10/08/2016 to 30/06/2018 (Both dates Inclusive). It is noticed that all the employees have been freshly employed. Details of the employment provided by Project Activity: -

S. No.	Designation	Employment Type	No. of Employment	
			NTPC Bhadla	NTPC Mandsaur
