for the VCS Verification services of their registered CDM project activity titled "Wind based power generation by Panama Wind Energy Private Limited in Maharashtra, India" in "India". Project reference number: 8524

According to the Modalities and procedures for a Clean Development Mechanism as defined in Article 12 of the Kyoto Protocol and Subchapter 10 Climate Change, Article 5, Sections 95800 to 96023 of the California Cap on Greenhouse Gas Emissions and Market-Based Compliance Mechanism.

**The Client and DOE recognise the attachments on the subsequent pages as an integral part of this Letter of Engagement (contract).**

1. Appendix 1- Terms of Business
2. Appendix 9- VCS Verification

**The Client, representing the project participants/offset project operator, declares and confirms that the DOE/VB has not provided consultancy work regarding the project itself and/or the organisation and facilities connected to the project, which would constitute a real or potential conflict of interest.**

**Background information:** Under the accreditation rules of the UNFCCC (Article 27(d) of the Modalities and Procedures for a Clean Development Mechanism) and Subchapter 10 Climate Change, Article 5, Sections 95800 to 96023 California Cap on Greenhouse Gas Emissions and Market-Based Compliance Mechanism, a DOE/VB entity shall "demonstrate that it, and its subcontractors, have no real or potential conflict of interest with the participants in the project activities for which it has been selected to carry out validation or verification functions". Therefore the DOE/VB is not allowed to engage in validation/verification activities if any employee of Carbon Check has carried out any kind of consultancy work regarding the project and /or the organisation and facilities related to the project.

**Staffing:** The Following assessment team members will be responsible for the execution of the assessment project:

No.	Name	Designation
1	Sanjay Kumar Agarwalla	Team Leader, Technical Expert
2	Vikash Kumar Singh	Technical Reviewer

Background information on team members will be made available prior to the start of verification. In case of objections against the team composition or individual team members, project participants may notify Carbon Check (info@carboncheck.co.in) within 3 days of notification with a clear justification for objection.

A written confirmation of objection or non-objection is required as per the latest VCS requirements.

If however part or all of the identified team members are no longer available, team members may be replaced by others with equal expertise and competence in consultation with the Client.

**Fees:** We would refer you to section 2 of Part II of Appendix 1 – Terms of Business for an explanation of our normal basis of charging (where fees have not otherwise been agreed) and other matters related to our fees and invoicing arrangements. For recurring annual assignments: Our fee estimates are subject to annual review.

Should you wish us to undertake any additional work beyond the scope set out in this engagement letter, we will discuss this with you and endeavour to agree upon terms and conditions which will be set out in a separate engagement letter. Based on assessment of the engagement time of professionals of various expertise, following fee structure for this engagement is proposed.

For detailed fees structure for the service please refer to Annexure I

**The mentioned service for the client as per this contract will be carried out by Carbon Check (India) Private Ltd (the DOE). The payment related to the services under this contract shall be delivered to/and invoiced by the party in the signed proposal: Carbon Check (India) Private Ltd.**

Do the PROJECT CLIENT/CONSULTANT/ PROJECT PARTICIPANTS (this includes any other stakeholders/participants involved in the project) have any relationships or past experience with any member of the project team members, as listed above?

Yes  No  If, yes, please provide details to Carbon Check Management<sup>1</sup>

I hereby confirm that the information provided is complete and accurate, that I authorize Carbon Check (India) Private Ltd. to verify the information provided and that I am duly authorized and have the legal capacity to sign on behalf of the company.
