Lr.No. SE / UEDC / UDT / DFC / AO / REV / AS / FWFHT / A.1 / F / P. M/s Windage Power Company Private Limited. / WFHTSC No.753/ D 164/11 Dt.18.10.2011.

Sir,

Sub: Electricity – SE / UEDC / Udumalpet – Wind farm HT service Nos. 753 – 1x 1650 KW Vestas Make (formally NEG MICON WEG) – M/s Windage Power Company (P) Ltd. Name Transfer requested from M/s NSL Renewable Power Private Ltd – Approval Accorded – regarding.

Ref: 1. Your Ltr.dt.19.10.2011 received on 24.10.2011.

-ooOoo-

Based on documents produced by you and as per your request approval is here by accorded for Name transfer of 1 x 1650 KW Vestas Make (formally NEG MICON) WEG at 431/3 of Gomangalamputhur Village, Pollachi Taluk, Coimbatore District assigned with WFHTSC No.753 from M/s NSL Renewable Power Private Ltd. from the date of execution of revised agreement as per the details given below.

Sl. No	WFHT SC No.	No. OF WEGS	Total capacity	SF No. And Village	Date of Commissioning	Existing Mode of Adjustment Permitted	Revised Mode of Adjustment Permitted
1.	753	1x1650 KW	1650 KW	431/3 of Gomangalamputhur Village, Pollachi Taluk, Coimbatore District	31.03.2005	Entire Energy Sale to Board	Wheeling to HTSC No. 360 of Coimbatore Metro EDC with surplus energy banking

Name Transfer Fee of Rs. 1,00,000/- and Long Term Open Access Registration Fee of Rs. 400/- per MW (totally Rs. 1,00,400) has been collected for the above WFHT SC No. 753 vide PR No434U031178 dated 24.10.2011 from M/s Windage Power Company (P) Ltd, Chennai as per TNERC order interstate open Access regulation 2005.

An undertaking produced by you on a non-judicial stamp paper of Rs. 100/- for each WF Service, ensures consumption not less than 51% of energy Generated determined on annual basis and not less than 26% of the ownership of the WEG is held by the Captive user, M/s. Brookefields Estates Pvt Ltd.,

Hence wheeling is permitted to your concern M/s. Brookefields Estates Pvt. Ltd HTSC No. 360 of Coimbatore Metro EDC with the banking of surplus energy available after adjustment.

You are requested to remit the amount at the rate of Rs.300/- per day per service towards system operation charges for generator capacity of 1650 KW and above or in proportion for generation capacity less than 1650 KW to the wheeling EDC from the date of execution of the revised Agreement.

Further it is to be noted that the above amount collected is without Prejudice to the Board's right and contention and subject to the outcome of the appeal petition. To this effect you are requested to execute an Undertaking with Superintending Engineer, Udumalpet.

If the captive user does not fulfill any of the two conditions,

1. Not less than twenty six percent of the ownership of the WG is Held by the captive user.
2. Not less than fifty one percent of the aggregate electricity generated from the WEG, determined on annual basis is consumed for the captive use.

The entire energy consumed by the company captive user will be billed Under appropriate tariff and the energy generated from the wind mill will be treated as sale to board and will be paid at the stipulated rates as per the TNERC order No. 3, dt. 15.05.06.

You must furnish every year balance sheet and Auditor's certificate in Proof of ownership for compliance of the above at the commencement of each financial year to the Superintending Engineer / Udumalpet EDC, where the Energy Wheeling Agreement is executed. If any of the ownership gets changed the same shall be intimated immediately.

If wheeling of wind energy is opted 5% of the energy wheeled from Your WEG(s) shall be deducted as wheeling charges. In addition to this if banking is opted for 5% of energy banked shall be deducted as banking charges on each occasion.

The unutilized portion of banked energy if any available at the end of banking period (i.e.) 31st March of every year shall be deemed to have been purchased by TNEB @ 75% of the normal purchase rate (@ 75% of Rs.2.90)

This will come into effect from the date of execution of energy Wheeling Agreement for this revised arrangement on payment of Rs. 2000/- towards open access agreement fees.

Further it is to be noted that the above amount collected is without Prejudice to the Board's right and contention and subject to the outcome of the appeal petition. To

this effect you are requested to execute an Undertaking with Superintending Engineer, Udumalpet Electricity Distribution Circle, Udumalpet.

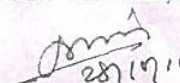

If any of the documents produced as documentary evidence on the above subject is found to be faulty or incorrect, in future, this order is liable to be cancelled retrospectively with financial impact.

You are requested for installation of **ABT COMPATABILITY Meter** in the above wind farm service if not provided already. The revised agreement can be executed only after installation of ABT meter and payment of agreement fees of Rs.2000/- per M.W.

The above approval is based on the existing policy of TNERC Order No. 3 Dt. 17.05.2005 and it is noted that you are agreeable to any change in terms and conditions to be brought as per the guidelines of TNERC or any Statutory authority as the case may be.

Receipt of this letter may be acknowledged.

Yours faithfully,

28/11/11
