1.2 Sectoral Scope and Project Type

Sectoral Scope : 01 Energy Industries (renewable-/non-renewable sources)
Project Type : Type I – Renewable Energy Projects
Project Category¹ : I.D. – Grid connected renewable electricity generation

The project activity is not a grouped project.

1.3 Project Proponent

This project activity is owned & promoted by M/s Chhotabhai Jethabhai Patel & Co. The contact details of the project participant are given below:

Organization:	M/s Chhotabhai Jethabhai Patel & Co.

1.10 Conditions Prior to Project Initiation

Prior to installation of the project the equivalent amount of electricity was supplied to NEWNE grid by mix generation, which is dominated by fossil fuel based power plant.

1.11 Compliance with Laws, Statutes and Other Regulatory Frameworks

The project activity is in compliance with all the relevant local, regional and national laws, statutes and regulatory frameworks laws in the host country.

1.12 Ownership and Other Programs

1.12.1 Proof of Title

The ownership of the WTG to the project proponents can be verified through following documents from government authorized bodies:

- Commissioning certificate;
- Power Purchase agreement

1.12.2 Emissions Trading Programs and Other Binding Limits

The project participant confirms that the net GHG emission reductions or removals generated by the project will not be used for compliance with an emissions trading program or to meet binding limits on GHG emissions.

Please refer letter of undertaking by the project participant in Annexure 1.

1.12.3 Participation under Other GHG Programs

The project is registered CDM project activity with UNFCCC (Reference No. 3550) on 16/09/2010. The details of the project can be viewed on following link:

<http://cdm.unfccc.int/Projects/DB/RINA1269594627.46/view>

1.12.4 Other Forms of Environmental Credit

The project participant hereby confirms that the project neither has nor intends to generate any other form of GHG-related environmental credit for GHG emission reductions or removals claimed under the VCS Program, or that any such credit has been or will be cancelled from the relevant program.

Please refer letter of undertaking by the project participant in Annexure 1.

1.12.5 Projects Rejected by Other GHG Programs

The project has not rejected by any other GHG programs.
