Subject: Request to Correct Crediting Period for Project GS4210

Dear Gold Standard Secretariat,

On behalf of xpand Foundation, the Coordinating and Managing Entity for Project GS4210 – WithOneSeed Community Forestry Program, we wish to formally request a correction to the project information listed within the Assurance Platform.

Upon review, we noted that the project's crediting period is currently recorded incorrectly:

Start date: 30 July 2010

End date: 30 July 2038

In accordance with the Project Design Document (PDD) and the projects 30 year crediting period, the correct dates should be:

Start Date: 18 January 2010

End Date: 17 January 2040

SECTION C. DURATION AND CREDITING PERIOD

C.1. Duration of project

C.1.1 Start date of project

18/01/2010

C.1.2 Expected operational lifetime of project

Thirty years (30 years)

We respectfully request that the platform be updated to reflect this correction to ensure alignment with the approved PDD and maintain an accurate audit trail for the project.

Thank you for your attention to this matter.

Yours sincerely,

Amy Stevenson
